The Order

Art historians often examine work through an analysis of form; this approach examines how the artist uses a two-dimensional picture plane or the three dimensions of sculptural or architectural space to create his or her art. After age 50 or so, however, the nervous system becomes less excitable, and erotic urgency cools.

SOUP

The babe that weeps the rod beneath Writes revenge in realms of death. If you want to adopt a dog, read the advice below on how to do .
