German Educational Class System Although most Germans claim to be against elitism and favoring any social class, their entire educational system is basically a three-class system that divides students into three different tracks: 1 Gymnasium for bright students headed for college, 2 Realschule for the next step down, kids headed for average or better white-collar positions, and 3 Hauptschule for the bottom tier, generally aimed at the trades and blue-collar jobs. The opportunity to Critical Perspectives in Canadian Music Education the topic was presented in the form of the National Folk Fellowship.
