This gave me a chance to get acquainted with one of the pilots, and he taught me how to steer the boat, and thus made the fascination of river life more potent than ever for me. I loved this book because I really like to read about real life situations. If "self-realization" today is associated with life-long narrow ego gratification, isn't it inaccurate to use this term for self-realization in the widely different sense of Gandhi, or less religiously loaded, as a term for the widening and deepening of the self so it embraces all life forms.
